

# THE 2026 OZSKY "CLASSIC" STAR SAFARI

COONABARABRAN, NSW, AUSTRALIA

MARCH 14 – 21, 2026

[www.OzSky.org](http://www.OzSky.org)

## ON-SITE CATERING & MEAL OPTIONS

During your stay at the OzSky Star Safari, numerous options are available for meals and catering with a variety of suitable options available for most tastes, budgets and dietary requirements. Those options typically include an on-site meal/catering service offered by the motel, on-site self-catering in your room or off-site restaurants, bistros and cafés.

### ON-SITE CATERED MEALS (OPTIONAL)

EVERY NIGHT EXCEPT SUNDAY 15TH AND FRIDAY 20TH MARCH

Throughout the official OzSky week, our new motel site hosts have engaged the services of a local catering company and they will be offering us a choice of catered dinner options each night.

The selection of main meals for OzSky 2026 being offered to us this year may include Chicken Schnitzel, Beer-Battered Fish, Butter Chicken, Lamb Rogan Josh, Paneer Butter Masala, Meatballs, Grilled Salmon, Falafel, a Pizza night, Fettuccine Bolognese, Creamy Mushroom Pasta, Mango Chicken, Shahi Paneer. The motel usually offers two or three of these options on any given night.

[Advance Bookings are required](#) for all motel-catered meals. If you are planning on opting into this service, please submit your booking on the [Motel's Catered Meals Booking Form](#).

The motel-catered meals are usually served at 6:00pm to allow you enough time to enjoy your meal and prepare for the night's observing run before dark.

If you're intending to partake in the catered meals, especially on the first official night of OzSky (Saturday night), please be sure to plan your itinerary so that you arrive on site with enough time to get yourselves unpacked, relaxed and ready for a very convenient catered meal.

### OZSKY BBQ DINNERS (COMPLIMENTARY)

SUNDAY 15TH MARCH AND FRIDAY 20TH MARCH

Your OzSky Volunteer Hosts will be preparing and cooking a complimentary "Welcome to OzSky" Aussie BBQ dinner on Sunday and a "Farewell from OzSky" BBQ Hamburger dinner on the final Friday evening.

[Bookings are NOT required](#) for either of these two BBQ dinners – I'll just assume everyone will be joining us at 6:00pm on those two evenings, unless I'm advised otherwise by you.

### SELF-CATERING FOR MEALS

If you prefer to self-cater for your own meals during the week, each of the on-site rooms has a small kitchenette equipped with all the basic utensils and appliances, and there are two well-stocked supermarkets (Woolworths and IGA) in town for all your supplies.

There are also a small number of restaurants, bistros and cafés in Coonabarabran which we often visit during OzSky Star Safaris, including the:

- Imperial Hotel (*near the roundabout / traffic circle*)
- Golden Sea Dragon Chinese Restaurant
- Coonabarabran Bowling Club or Golf Club Bistros

For those of you who are arriving at OzSky one day earlier than the official start date, some of us usually dine in town at Coonabarabran at one of the above bistros or restaurants on the Friday evening (13<sup>th</sup> March, 2026).

Alternatively, the motel has offered to do meals on that early Friday night also, subject to demand.

### OZSKY STAR BAR: ALCOHOLIC BEVERAGES

Throughout the official OzSky week, from around 4:00pm each day (*subject to demand*), our site hosts will offer OzSky guests an on-site bar service in the Marquee, enabling you to enjoy a cold beer, wine or soft drink in the golden hours leading up to dinner time and the OzSky dark out period.

Your total motel-catered food bill for the week can be paid directly to the motel upon check-in at the motel, along with your accommodation bill.

Drinks must be paid for at the time of purchase.
